Subject: **Internship Completion Certificate**

Dear **Harsh**,

Congratulations on successfully completing 5 months of your internship with a Sparklehood from 1st September, 2022 to 2nd January, 2023.

During the internship, you worked on **Web Development**. You:

- Worked on automation tools for whatsapp automation such as twilio and landbot which can connect through website.
- Worked on different types of technical tools and plugins and learned in vast about the embedding tech and non-tech tools.
- I've created a landing page, programs pages and many more of Sparklehood website using bubble.io and plugins(JS tools, carousel etc.).
- Worked on the databases for storing and displaying the data.

We found your behaviour sincere, satisfactory and result oriented during the 5 months of internship with us.

Warm Regards,  
For Sparklehood
